[illegible]

This is a technical exploded view diagram of a mechanical assembly. The diagram shows the following components and their assembly relationships:

- Part 1:** The main base plate or housing, shown at the bottom.
- Part 2:** A small component, possibly a pin or clip, located near the top right.
- Part 3:** A small component, possibly a pin or clip, located near the bottom left.
- Part 4:** A small component, possibly a pin or clip, located near the bottom left.
- Part 5:** A small component, possibly a pin or clip, located near the top right.
- Part 6:** A small component, possibly a pin or clip, located at the top left.
- Part 7:** A small component, possibly a pin or clip, located near the top right.
- Part 8:** A small component, possibly a pin or clip, located near the bottom left.
- Part 9:** A small component, possibly a pin or clip, located near the bottom right.
- Part 10:** A small component, possibly a pin or clip, located near the bottom right.
- Part 11:** A small component, possibly a pin or clip, located near the bottom right.
- Part 12:** A small component, possibly a pin or clip, located at the top left.
- Part 13:** A small component, possibly a pin or clip, located at the top left.
- Part 14:** A small component, possibly a pin or clip, located near the top right.
- Part 15:** A small component, possibly a pin or clip, located near the bottom left.
- Part 16:** A small component, possibly a pin or clip, located at the top left.
- Part 17:** A small component, possibly a pin or clip, located near the bottom right.
- Part 18:** A small component, possibly a pin or clip, located near the bottom right.
- Part 19:** A small component, possibly a pin or clip, located at the top left.
- Part 20:** A small component, possibly a pin or clip, located near the bottom right.
- Part 21:** A small component, possibly a pin or clip, located near the bottom right.
- Part 22:** A small component, possibly a pin or clip, located near the bottom left.
